Final Mark: _____

Comments:

Self And Peer Assessment

Please assess everyone in your group including yourself. This assessment should take into consideration cooperation and effort over the entire time allotted for completion of your project. Indicate the tasks performed by each group member and estimate the amount (%) of the total project which each member completed. Remember, the sum of the % should equal 100 %.

Group Members	Specific Project Tasks	% of Total Effort
1. Self		
2.		
3.		
Total		100 %
